

# Frankie Returns To Hollywood

*The Ultimate Tribute To Frankie Goes To Hollywood*

Frankie Returns To Hollywood is a daring tribute band that revives the legacy of the iconic British synth-pop group Frankie Goes To Hollywood, paying tribute to the music that defined an era. An exciting reissue of the iconic band.

Frankie Returns To Hollywood was conceived in 2023 by a group of musicians who recognized the lasting impact of the provocative music of Frankie Goes To Hollywood. The band wants to pay tribute that would capture the essence of the original group and capture the attention and imagination of fans old and new. Frankie Returns To Hollywood fearlessly tackles issues of sexuality, politics and social norms as the original band did.

Frankie Returns To Hollywood honors the original band's discography and seamlessly bridges the gap between the '80s and the '20s. By integrating modern musical elements, production techniques and multimedia enhancements, this tribute band creates a contemporary experience. Trevor Horn's iconic and bombastic productions are performed very faithfully in combination with stunning and compelling visuals, lighting and a larger-than-life stage presentation.

## *Conclusion:*

Frankie Returns To Hollywood picks up where Frankie Goes To Hollywood left off, continuing the legacy of the original group. This makes Frankie Returns To Hollywood not only a tribute to the iconic music of Frankie Goes To Hollywood, but also a reminder of the power that music has to challenge and shape our world.
